watched Kansas City grow from small boat landing at Second and Main streets to one of the most properous cities in these United States. There are only a very few of us who have the brains and energy and op-

portunity to become big merchants, big business men, big rallroad men or oon. Next meeting February 18, with drs. F. B. Jones on East Nichol street in business fields; but any thrifty man or woman with any ordinary good luck can accumulate at least a modest fortune in real estate. The first purchase is the hard one to pay for; the second much easier; the third buys itself, and after that your fortune grows like a nowball rolling downhill

The Unearned Increment

The inevitable growth of value in real estate is now recognized by some foreign governments (Germany among force when they entertain we will feel them) by the imposition of a tax upon the "unearned increment." In Germany if you pay \$100 for a tract of land and it increases in value to \$1,000. nel Hughes of this city . . . Mr. Arthur you have to give the government a part Hughes and Mr. James Lightle were of this increase in value. In time this will undoubtedly be the law in all countries and the people of the next generation will regret that they did not live in "those good old times when the owner of real estate received court house ... Mr. Emery Smith of all of its increase in value. St. Joseph was a Troy visitor Sunday ... Mrs. Georgia Montgomery has
